What is Copyright ?

Literally “right to copy”

Exclusive rights of the copyright owner include

- Public performance

- Reproduction (photocopying, scanning etc)

- Communication to public (eg broadcasting)

Requires permission from rights holder

Reporting

Allows our royalty distribution to be as accurate as possible

Money still distributed if no reporting done

You can have your say on songs you use that others may not

Song Owners

Sign Agreements to licence their own works with CCLI

Include Lyrics & Chords on SongSelect

We have other ways to support where applicable
